

A.C.T

Morning Coffee Networking

As part of 2009 national A.C.T. initiatives, we are starting a morning coffee networking venue where you can drop by to meet your colleagues in an informal setting. We are doing this jointly with A.C.T. and the Xerox Young Professionals (XYP) group. We hope you can drop by to meet and chat. Bring your friends, mingle and enjoy a Friday morning over fresh coffee and bagels!
